

How can I support you?

Classroom Supporter: Acting as a Coach

- Collaborate with you to set goals for improving or maintain instruction
- Provide support and assist with instruction and assessments
- Recommend resources to enhance or supplement instruction
- Model/co-teach lessons
- Observe **NOT** evaluate and provide feedback
- Work with you to establish procedures and positive relationships

Data Coach: Using data to drive instruction

- Assist in analyzing student data and play ways to meet individual needs
- Assist with classroom assessment measures to guide instruction

Interventionist: Help all students to learn at a high level

- Assist during WIN, small group instruction
- Identify Tier 2 and 3 interventions
- Assist with progress monitoring
- Help ensure strong Tier 1 Core instruction in all classrooms

Together We Can...

- Co-Teach classroom lessons
- Collaborate in selecting and implementing strategies to meet the needs of all learners
- Form action plans based on observations and student data
- Reflect of teaching practices
- Help all students increase academic success
- Acknowledge Greatness

I Will...

- Respect your time, space and expertise
- Support you as we work to increase every students' academic achievement
- Use research, best practices and district policy to guide our work together
- Listen
- Be honest
- NOT evaluate you
- Do the best I can for you and our students!

An Instructional Coach is....

A Second set of eyes

A Second set of hands

A Learning partner who collaborates with teachers to identify goals, suggest teaching practices to learn, models new practices, observes, and supports teachers as they master and integrate new practices.
